

# Thuraya Marine

**THURAYA**   
stay close

# Solutions *beyond* boundaries

*At Thuraya, we realise that when you're on board, every second is vital, whether you're on a mission critical call or just staying in touch with family and friends. With Thuraya Marine, we ensure that you don't miss a second of that time.*

- Excellent oceanic coverage
- Voice and data calls
- Internet access with GmPRS
- Fax and email
- Emergency distress button
- Convenient crew calling solutions
- Compact and user-friendly

# Coverage *beyond* boundaries

*Mission critical decisions need a communication system that will give you what you need, when you most need it. With Thuraya Marine, you can harness the advantage of cutting-edge technology embedded into a sleek maritime terminal. We combine quality and performance to ensure a footprint that comprehensively covers Asia, Africa, Middle East and Europe.*

Performance  
*beyond*  
boundaries

*Thuraya Marine gives you complete control over communication with the power of optimum download features, together with voice and fax functions. With its omni-directional antenna, Thuraya Marine is compact and easy to operate, putting you in charge anytime, anywhere.*

Easy to  
install,  
convenient  
to use

- Compact, light-weight, below-the-deck equipment with IP66 ruggedised casing
- Wall-mounted or desktop (main unit can be easily connected to an extension phone, fax machine or laptop)
- Supports up to four wireless handsets for on-board mobility
- Easy-to-handle omni-directional antenna
- Convenient social calling facility for crew and passengers on-board
- In case of an emergency, the Thuraya Regional Distress button can alert preconfigured contacts
